PHYSICAL EDUCATION WAIVER INTENT

A student may be excused from the high school physical education requirement, who, during high school, has participated in interscholastic athletics, marching band (including flag line), or cheerleading for at least two (2) full seasons. The student, however, is required to complete one-half (1/2) unit, consisting of at least 60 hours of instruction, in another course of study.

For purposes of this policy, the program of interscholastic athletics shall include all activities relating to competitive sports currently available or other sports we may offer in the future. Such events will involve individual students or teams of students of this district and occur between schools outside this district. A full season must include a minimum of 120 hours of activity.

All students requesting this waiver must additionally have remained academically eligible throughout and complete the season in good standing.
