Influenza A Information

Symptoms:

* Sudden onset of a high fever

* Chills

* Headache / dizziness

* Fatigue / weakness

* Body aches

* Dry cough / sore throat

* Red, watery eyes, runny nose

* May cause vomiting / diarrhea

This condition is readily communicable in the classroom. If ill, the child should remain at home until there has been no fever, vomiting or diarrhea for 24 hours, or until released by your doctor to return to school.

Please provide written documentation from your doctor if your child is diagnosed with Influenza A.
